A NEW OFFER FOR MALAYSIAN INDUSTRY

MATCOR IN MALAYSIA

Global Expertise Meets Local Excellence

Cetim and Cekap have joined forces to enhance capabilities and strengthen their local presence in Malaysia. Through this strategic partnership, both entities shall operate as Matcor Technology & Services (M) Sdn Bhd, based in Malaysia. With this collaboration, Matcor is now established in the country, combining international expertise with local insight to deliver greater value to Malaysian industries.

Cetim, French Technical Centre for Mechanical Industry is an international group, created in 1965 to support advance innovation, cultivate expertise and harness leading-edge technology in mechanical engineering.

Cekap, founded in 1994 delivers Integrated Project and Digital Solutions across key industries, including Energy, Oil & Gas, Chemicals, Power, Ports & Terminals and others.
